Sanctioned B Agility Match

Friday June 23<sup>rd</sup> after regular trial

Pawsitive Partners

5750 Elmwood Ave, Indy

An Agility "B" match is sanctioned by AKC and can be held the same day as a trial. Certain rules apply. A toy can be taken into the ring but CANNOT leave the hand of the trainer. No food is allowed in the ring. Obstacles can be repeated but will not be judged. A "judge" will be in the ring to help with the actual trial experience for the dog. The judge will excuse any harsh verbal or physical corrections. You will have a total of 90 seconds in the ring. Only one standard course will be set for all levels. This is an excellent opportunity to work contacts, weaves and young dogs in a trial setting.

First run is \$10 and second run (same dog) is \$5.00. During the match, we will be running each dog once before repeating any run of the same dog.

Pre entries recommended. A dog does not have to be entered into the weekend's trial to participate in the match.

A running order will be put together with the pre entered running first in each height division. Please send email containing **1.** your name, **2.** the dog(s)'s name and **3.** jump height and **4.** how many runs you would like for that dog(s).

Payment will be day of trial. Please bring correct change.

Entries will be accepted until the 30 minutes before the match starts. First dog targeted to be in the ring 30 minutes after the regular trial on Friday.

**Send pre entry information to Kathy Pudenz at  
hpsmom@tds.net**
